|-----------------------------------------------------------------------------------------------|---------------|-----|-----------------------|-------------------------|
| Tissue-Tek Genie® anti- <b>Actin Smooth Muscle</b> Mouse Monoclonal Antibody [1A4]            | ASMA          | IVD | 8292-C010             | 8292-M250               |
| Tissue-Tek Genie® anti- <b>ALK (Heme)</b> Mouse Monoclonal Antibody [1A4]                     | ALK (HEME)    | IVD | 8350-C010             | 8350-M250               |
| Tissue-Tek Genie® anti- <b>AMACR</b> Rabbit Monoclonal Antibody [13H4]                        | AMACR         | IVD | 8291-C010             | 8291-M250               |
| Tissue-Tek Genie® anti- <b>BCL2</b> Rabbit Monoclonal Antibody [EP36]                         | BCL2          | IVD | 8459-C010             | 8459-M250               |
| Tissue-Tek Genie® anti- <b>BCL6</b> Rabbit Monoclonal Antibody [EP278]                        | BCL6          | IVD | 8461-C010             | 8461-M250               |
| Tissue-Tek Genie® anti- <b>beta-Catenin</b> Rabbit Monoclonal Antibody [EP35]                 | BETA CATENIN  | IVD | 8261-C010             | 8261-M250               |
| Tissue-Tek Genie® anti- <b>BOB.1</b> Mouse Monoclonal Antibody [ZM74]                         | BOB.1         | IVD | 8462-C010             | 8462-M250               |
| Tissue-Tek Genie® anti- <b>Cadherin 17</b> Rabbit Monoclonal Antibody [QR098]                 | CDH17         | IVD | 8364-C010             | 8364-M250               |
| Tissue-Tek Genie® anti- <b>Calponin</b> Rabbit Monoclonal Antibody [EP63]                     | CALPONIN      | IVD | 8310-C010             | 8310-M250               |
| Tissue-Tek Genie® anti- <b>Calretinin</b> Rabbit Monoclonal Antibody [RM324]                  | CALRETININ    | IVD | 8522-C010             | 8522-M250               |
| Tissue-Tek Genie® anti- <b>CD10</b> Rabbit Monoclonal Antibody [QR021]                        | CD10          | IVD | 8386-C010             | 8386-M250               |
| Tissue-Tek Genie® anti- <b>CD117 (c-kit)</b> Rabbit Monoclonal Antibody [EP10]                | CD117 (c-kit) | IVD | 8267-C010             | 8267-M250               |
| Tissue-Tek Genie® anti- <b>CD13</b> Rabbit Monoclonal Antibody [EP117]                        | CD13          | IVD | 8503-C010             | 8503-M250               |
| Tissue-Tek Genie® anti- <b>CD138</b> Mouse Monoclonal Antibody [B-A38]                        | CD138         | IVD | 8241-C010             | 8241-M250               |
| Tissue-Tek Genie® anti- <b>CD14</b> Rabbit Monoclonal Antibody [EP128]                        | CD14          | IVD | 8321-C010             | 8321-M250               |
| Tissue-Tek Genie® anti- <b>CD15</b> Mouse Monoclonal Antibody [MMA]                           | CD15          | IVD | 8256-C010             | 8256-M250               |
| Tissue-Tek Genie® anti- <b>CD163</b> Rabbit Monoclonal Antibody [EP324]                       | CD163         | IVD | 8245-C010             | 8245-M250               |
| Tissue-Tek Genie® anti- <b>CD19</b> Rabbit Monoclonal Antibody [EP169]                        | CD19          | IVD | 8516-C010             | 8516-M250               |
| Tissue-Tek Genie® anti- <b>CD1a</b> Mouse Monoclonal Antibody [O10]                           | CD1a          | IVD | 8339-C010             | 8339-M250               |
| Tissue-Tek Genie® anti- <b>CD2</b> Rabbit Monoclonal Antibody [EP222]                         | CD2           | IVD | 8255-C010             | 8255-M250               |
| Tissue-Tek Genie® anti- <b>CD20</b> Mouse Monoclonal Antibody [L26]                           | CD20          | IVD | 8259-C010             | 8259-M250               |
| Tissue-Tek Genie® anti- <b>CD21</b> Rabbit Monoclonal Antibody [EP64]                         | CD21          | IVD | 8260-C010             | 8260-M250               |
| Tissue-Tek Genie® anti- <b>CD23</b> Rabbit Monoclonal Antibody [GR013]                        | CD23          | IVD | 8262-C010             | 8262-M250               |
| Tissue-Tek Genie® anti- <b>CD3</b> Mouse Monoclonal Antibody [ZM45]                           | CD3           | IVD | 8344-C010             | 8344-M250               |
| Tissue-Tek Genie® anti- <b>CD3</b> Rabbit Monoclonal Antibody [EP177]                         | CD3           | IVD | 8280-C010             | 8280-M250               |
| Tissue-Tek Genie® anti- <b>CD30</b> Mouse Monoclonal Antibody [Ber-H2]                        | CD30          | IVD | 8265-C010             | 8265-M250               |
| Tissue-Tek Genie® anti- <b>CD31</b> Rabbit Monoclonal Antibody [RM247]                        | CD31          | IVD | 8282-C010             | 8282-M250               |
| Tissue-Tek Genie® anti- <b>CD34</b> Mouse Monoclonal Antibody [QBEnd/10]                      | CD34          | IVD | 8268-C010             | 8268-M250               |
| Tissue-Tek Genie® anti- <b>CD38</b> Mouse Monoclonal Antibody [GM038]                         | CD38          | IVD | 8277-C010             | 8277-M250               |
| Tissue-Tek Genie® anti- <b>CD4</b> Rabbit Monoclonal Antibody [EP204]                         | CD4           | IVD | 8226-C010             | 8226-M250               |
| Tissue-Tek Genie® anti- <b>CD43</b> Mouse Monoclonal Antibody [DF-T1]                         | CD43          | IVD | 8279-C010             | 8279-M250               |
| Tissue-Tek Genie® anti- <b>CD45</b> Rabbit Monoclonal Antibody [GR009]                        | CD45          | IVD | 8271-C010             | 8271-M250               |
| Tissue-Tek Genie® anti- <b>CD5</b> Rabbit Monoclonal Antibody [GR020]                         | CD5           | IVD | 8249-C010             | 8249-M250               |
| Tissue-Tek Genie® anti- <b>CD56</b> Rabbit Monoclonal Antibody [MRQ-42]                       | CD56          | IVD | 8274-C010             | 8274-M250               |
| Tissue-Tek Genie® anti- <b>CD57</b> Mouse Monoclonal Antibody [NK1]                           | CD57          | IVD | 8338-C010             | 8338-M250               |
| Tissue-Tek Genie® anti- <b>CD61</b> Mouse Monoclonal Antibody [ZM33]                          | CD61          | IVD | 8518-C010             | 8518-M250               |
| Tissue-Tek Genie® anti- <b>CD63</b> Rabbit Monoclonal Antibody [EP211]                        | CD63          | IVD | 8283-C010             | 8283-M250               |
| Tissue-Tek Genie® anti- <b>CD68</b> Rabbit Monoclonal Antibody [GR021]                        | CD68          | IVD | 8275-C010             | 8275-M250               |
| Tissue-Tek Genie® anti- <b>CD7</b> Rabbit Monoclonal Antibody [EP132]                         | CD7           | IVD | 8251-C010             | 8251-M250               |
| Tissue-Tek Genie® anti- <b>CD71</b> Rabbit Monoclonal Antibody [EP232]                        | CD71          | IVD | 8322-C010             | 8322-M250               |
| Tissue-Tek Genie® anti- <b>CD79a</b> Rabbit Monoclonal Antibody [GR019]                       | CD79a         | IVD | 8278-C010             | 8278-M250               |
| Tissue-Tek Genie® anti- <b>CD8</b> Mouse Monoclonal Antibody [C8/144B]                        | CD8           | IVD | 8252-C010             | 8252-M250               |
| Tissue-Tek Genie® anti- <b>CD99</b> Rabbit Monoclonal Antibody [EP8]                          | CD99          | IVD | 8281-C010             | 8281-M250               |
| Tissue-Tek Genie® anti- <b>CDX2</b> Rabbit Monoclonal Antibody [EP25]                         | CDX2          | IVD | 8285-C010             | 8285-M250               |
| Tissue-Tek Genie® anti- <b>CEA</b> Mouse Monoclonal Antibody [COL-1]                          | CEA           | IVD | 8225-C010             | 8225-M250               |
| Tissue-Tek Genie® anti- <b>Chromogranin A</b> Mouse Monoclonal Antibody [LK2H10]              | CGA           | IVD | 8286-C010             | 8286-M250               |
| Tissue-Tek Genie® anti- <b>c-Myc</b> Rabbit Monoclonal Antibody [EP121]                       | C-MYC         | IVD | 8332-C010             | 8332-M250               |
| Tissue-Tek Genie® anti- <b>Cyclin D1</b> Rabbit Monoclonal Antibody [EP12]                    | CYCLIN D1     | IVD | 8469-C010             | 8469-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 14</b> Mouse Monoclonal Antibody [LL002]               | CK14          | IVD | 8300-C010             | 8300-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 18</b> Mouse Monoclonal Antibody [DC10]                | CK18          | IVD | 8302-C010             | 8302-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 19</b> Mouse Monoclonal Antibody [A53-B/A2.26]         | CK19          | IVD | 8303-C010             | 8303-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 20</b> Mouse Monoclonal Antibody [Ks20.8]              | CK20          | IVD | 8304-C010             | 8304-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 5</b> Rabbit Monoclonal Antibody [RM226]               | CK5           | IVD | 8408-C010             | 8408-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 5/6</b> Mouse Monoclonal Antibody [D5/16 B4]           | CK5/6         | IVD | 8295-C010             | 8295-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 7</b> Mouse Monoclonal Antibody [OV-TL 12/30]          | CK7           | IVD | 8296-C010             | 8296-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin 7/19</b> Antibody Cocktail [OV-TL 12/30 / A53-B/A2.26] | CK7/19        | IVD | 8297-C010             | 8297-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin HMW</b> Mouse Monoclonal Antibody [34bE12]             | CK HMW        | IVD | 8306-C010             | 8306-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin LMW (CK8)</b> Rabbit Monoclonal Antibody [EP17]        | CK LMW (CK8)  | IVD | 8238-C010             | 8238-M250               |

| Product name                                                                                           | Abbreviation    | FDA | Product code capsules | Product code cartridges |
|--------------------------------------------------------------------------------------------------------|-----------------|-----|-----------------------|-------------------------|
| Tissue-Tek Genie® anti- <b>Cytokeratin LMW (CK8/18)</b> Antibody Cocktail [EP17/DC10]                  | CK LMW (CK8/18) | IVD | 8298-C010             | 8298-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin</b> Mouse Antibody Cocktail [AE1/AE3]                           | CK AE1/AE3      | IVD | 8307-C010             | 8307-M250               |
| Tissue-Tek Genie® anti- <b>Cytokeratin Pan</b> Antibody Cocktail [AE1/AE3/DC10]                        | CK PAN          | IVD | 8309-C010             | 8309-M250               |
| Tissue-Tek Genie® anti- <b>Desmin</b> Mouse Monoclonal Antibody [GM007]                                | DESMIN          | IVD | 8311-C010             | 8311-M250               |
| Tissue-Tek Genie® anti- <b>DOG1</b> Mouse Monoclonal Antibody [DOG1.1]                                 | DOG1            | IVD | 8368-C010             | 8368-M250               |
| Tissue-Tek Genie® anti- <b>E-Cadherin</b> Mouse Monoclonal Antibody [ZM63]                             | E-CADHERIN      | IVD | 8269-C010             | 8269-M250               |
| Tissue-Tek Genie® anti- <b>EpCAM</b> Mouse Monoclonal Antibody [BS14]                                  | EPCAM           | IVD | 8337-C010             | 8337-M250               |
| Tissue-Tek Genie® anti- <b>Epithelial Cell Adhesion Molecule</b> Mouse Monoclonal Antibody [VU-1D9]    | EPCAM           | IVD | 8230-C010             | 8230-M250               |
| Tissue-Tek Genie® anti- <b>Epithelial Membrane Antigen</b> Mouse Monoclonal Antibody [E29]             | EMA             | IVD | 8233-C010             | 8233-M250               |
| Tissue-Tek Genie® anti- <b>ERG</b> Rabbit Monoclonal Antibody [EP111]                                  | ERG             | IVD | 8323-C010             | 8323-M250               |
| Tissue-Tek Genie® anti- <b>Factor XIIIa</b> Rabbit Monoclonal Antibody [EP292]                         | FACTOR XIIIa    | IVD | 8293-C010             | 8293-M250               |
| Tissue-Tek Genie® anti- <b>Gastrin</b> Rabbit Polyclonal Antibody                                      | GASTRIN         | IVD | 8314-C010             | 8314-M250               |
| Tissue-Tek Genie® anti- <b>GATA3</b> Rabbit Monoclonal Antibody [EP368]                                | GATA3           | IVD | 8242-C010             | 8242-M250               |
| Tissue-Tek Genie® anti- <b>GATA3</b> Rabbit Monoclonal Antibody [QR018]                                | GATA3           | IVD | 8357-C010             | 8357-M250               |
| Tissue-Tek Genie® anti- <b>GCDFP-15</b> Rabbit Monoclonal Antibody [EP95]                              | GCDFP-15        | IVD | 8325-C010             | 8325-M250               |
| Tissue-Tek Genie® anti- <b>Glial Fibrillary Acidic Protein (GFAP)</b> Mouse Monoclonal Antibody [GA-5] | GFAP            | IVD | 8316-C010             | 8316-M250               |
| Tissue-Tek Genie® anti- <b>Granzyme B</b> Rabbit Monoclonal Antibody [EP230]                           | GRANZYME B      | IVD | 8234-C010             | 8234-M250               |
| Tissue-Tek Genie® anti- <b>Helicobacter Pylori</b> Rabbit Monoclonal Antibody [EP279]                  | H. PYLORI       | IVD | 8317-C010             | 8317-M250               |
| Tissue-Tek Genie® anti- <b>Hepatocyte (HEP PAR 1)</b> Mouse Monoclonal Antibody [OCH1E5]               | HEP PAR 1       | IVD | 8374-C010             | 8374-M250               |
| Tissue-Tek Genie® anti- <b>HHV-8</b> Mouse Monoclonal Antibody [13B10]                                 | HHV-8           | IVD | 8378-C010             | 8378-M250               |
| Tissue-Tek Genie® anti- <b>IgA</b> Rabbit Monoclonal Antibody [EP170]                                  | IgA             | IVD | 8381-C010             | 8381-M250               |
| Tissue-Tek Genie® anti- <b>IgD</b> Rabbit Monoclonal Antibody [EP173]                                  | IgD             | IVD | 8382-C010             | 8382-M250               |
| Tissue-Tek Genie® anti- <b>IgG</b> Rabbit Monoclonal Antibody [RM116]                                  | IgG             | IVD | 8383-C010             | 8383-M250               |
| Tissue-Tek Genie® anti- <b>IgG4</b> Mouse Monoclonal Antibody [HP6025]                                 | IgG 4           | IVD | 8384-C010             | 8384-M250               |
| Tissue-Tek Genie® anti- <b>IgM</b> Rabbit Polyclonal Antibody                                          | IgM             | IVD | 8385-C010             | 8385-M250               |
| Tissue-Tek Genie® anti- <b>Kappa Light Chains</b> Rabbit Polyclonal Antibody                           | KAPPA           | IVD | 8394-C010             | 8394-M250               |
| Tissue-Tek Genie® anti- <b>Ki67</b> Mouse Monoclonal Antibody [GM010]                                  | Ki67            | IVD | 8473-C010             | 8473-M250               |
| Tissue-Tek Genie® anti- <b>Ki67</b> Mouse Monoclonal Antibody [GM027]                                  | Ki67            | IVD | 8276-C010             | 8276-M250               |
| Tissue-Tek Genie® anti- <b>Lambda Light Chains</b> Rabbit Polyclonal Antibody                          | LAMBDA          | IVD | 8398-C010             | 8398-M250               |
| Tissue-Tek Genie® anti- <b>Lysozyme</b> Rabbit Polyclonal Antibody                                     | LYSOZYME        | IVD | 8333-C010             | 8333-M250               |
| Tissue-Tek Genie® anti- <b>Mammaglobin</b> Rabbit Monoclonal Antibody [EP249]                          | MAMMAGLOBIN     | IVD | 8240-C010             | 8240-M250               |
| Tissue-Tek Genie® anti- <b>Melan A</b> Rabbit Monoclonal Antibody [EP43]                               | MELAN A         | IVD | 8319-C010             | 8319-M250               |
| Tissue-Tek Genie® anti- <b>Melanoma Pan</b> Antibody Cocktail [HMB45/EP43/T311]                        | MELANOMA PAN    | IVD | 8371-C010             | 8371-M250               |
| Tissue-Tek Genie® anti- <b>Melanosome</b> Mouse Monoclonal Antibody [HMB45]                            | MELANOSOME      | IVD | 8232-C010             | 8232-M250               |
| Tissue-Tek Genie® anti- <b>MLH1</b> Mouse Monoclonal Antibody [GM011]                                  | MLH1            | IVD | 8324-C010             | 8324-M250               |
| Tissue-Tek Genie® anti- <b>MSH2</b> Rabbit Monoclonal Antibody [RED2]                                  | MSH2            | IVD | 8327-C010             | 8327-M250               |
| Tissue-Tek Genie® anti- <b>MSH6</b> Rabbit Monoclonal Antibody [EP49]                                  | MSH6            | IVD | 8326-C010             | 8326-M250               |
| Tissue-Tek Genie® anti- <b>MUC1</b> Mouse Monoclonal Antibody [ZM32]                                   | MUC1            | IVD | 8375-C010             | 8375-M250               |
| Tissue-Tek Genie® anti- <b>MUC2</b> Mouse Monoclonal Antibody [CCP58]                                  | MUC2            | IVD | 8305-C010             | 8305-M250               |
| Tissue-Tek Genie® anti- <b>MUC5AC</b> Mouse Monoclonal Antibody [Nd-2]                                 | MUC5AC          | IVD | 8299-C010             | 8299-M250               |
| Tissue-Tek Genie® anti- <b>MUM1</b> Rabbit Monoclonal Antibody [EP190]                                 | MUM1            | IVD | 8329-C010             | 8329-M250               |
| Tissue-Tek Genie® anti- <b>Myeloperoxidase (MPO)</b> Rabbit Monoclonal Antibody [EP151]                | MPO             | IVD | 8407-C010             | 8407-M250               |
| Tissue-Tek Genie® anti- <b>Myogenin</b> Mouse Monoclonal Antibody [F5D]                                | MYOGENIN        | IVD | 8301-C010             | 8301-M250               |
| Tissue-Tek Genie® anti- <b>Myosin Smooth Muscle</b> Mouse Monoclonal Antibody [SMMS-1]                 | SMMS-1          | IVD | 8517-C010             | 8517-M250               |
| Tissue-Tek Genie® anti- <b>Napsin A</b> Rabbit Monoclonal Antibody [EP205]                             | NAPSIN A        | IVD | 8331-C010             | 8331-M250               |
| Tissue-Tek Genie® anti- <b>Neurofilament</b> Mouse Monoclonal Antibody [2F11]                          | NEURO FILAMENT  | IVD | 8289-C010             | 8289-M250               |
| Tissue-Tek Genie® anti- <b>Neuron Specific Enolase</b> Rabbit Monoclonal Antibody [EP319]              | NSE             | IVD | 8447-C010             | 8447-M250               |
| Tissue-Tek Genie® anti- <b>NKX3.1</b> Rabbit Monoclonal Antibody [EP356]                               | NKX3.1          | IVD | 8320-C010             | 8320-M250               |
| Tissue-Tek Genie® anti- <b>OCT.2</b> Rabbit Monoclonal Antibody [EP284]                                | OCT.2           | IVD | 8334-C010             | 8334-M250               |
| Tissue-Tek Genie® anti- <b>p120</b> Rabbit Monoclonal Antibody [EP66]                                  | P120            | IVD | 8373-C010             | 8373-M250               |
| Tissue-Tek Genie® anti- <b>p40 / Myosin Smooth Muscle</b> Antibody Cocktail [BC28/SMMS-1]              | P40/SMMS-1      | IVD | 8342-C010             | 8342-M250               |
| Tissue-Tek Genie® anti- <b>p40</b> Mouse Monoclonal Antibody [BC28]                                    | P40             | IVD | 8341-C010             | 8341-M250               |
| Tissue-Tek Genie® anti- <b>p53</b> Mouse Monoclonal Antibody [BP53.12]                                 | P53             | IVD | 8477-C010             | 8477-M250               |
| Tissue-Tek Genie® anti- <b>p53</b> Mouse Monoclonal Antibody [DO-7]                                    | P53             | IVD | 8352-C010             | 8352-M250               |
| Tissue-Tek Genie® anti- <b>p63</b> Mouse Monoclonal Antibody [MX013]                                   | P63             | IVD | 8312-C010             | 8312-M250               |
| Tissue-Tek Genie® anti- <b>PAX5</b> Rabbit Monoclonal Antibody [EP156]                                 | PAX5            | IVD | 8500-C010             | 8500-M250               |
| Tissue-Tek Genie® anti- <b>PAX8</b> Rabbit Monoclonal Antibody [RM436]                                 | PAX8            | IVD | 8257-C010             | 8257-M250               |
| Tissue-Tek Genie® anti- <b>PD-1</b> Rabbit Monoclonal Antibody [EP239]                                 | PD-1            | IVD | 8287-C010             | 8287-M250               |

| Product name                                                                                          | Abbreviation      | FDA | Product code capsules | Product code cartridges |
|-------------------------------------------------------------------------------------------------------|-------------------|-----|-----------------------|-------------------------|
| Tissue-Tek Genie® anti- <b>Perforin</b> Mouse Monoclonal Antibody [5B10]                              | PERFORIN          | IVD | 8236-C010             | 8236-M250               |
| Tissue-Tek Genie® anti- <b>Placental Alkaline Phosphatase</b> Mouse Monoclonal Antibody [GM022]       | PLAP              | IVD | 8235-C010             | 8235-M250               |
| Tissue-Tek Genie® anti- <b>PMS2</b> Rabbit Monoclonal Antibody [EP51]                                 | PMS2              | IVD | 8328-C010             | 8328-M250               |
| Tissue-Tek Genie® anti- <b>Podoplanin</b> Mouse Monoclonal Antibody [D2-40]                           | PODOPLANIN        | IVD | 8515-C010             | 8515-M250               |
| Tissue-Tek Genie® anti- <b>Prostate Specific Antigen</b> Rabbit Monoclonal antibody [EP109]           | PSA               | IVD | 8244-C010             | 8244-M250               |
| Tissue-Tek Genie® anti- <b>Prostein</b> Rabbit Monoclonal Antibody [ZR9]                              | PROSTEIN          | IVD | 8519-C010             | 8519-M250               |
| Tissue-Tek Genie® anti- <b>S100B</b> Rabbit Monoclonal Antibody [EP32]                                | S100B             | IVD | 8442-C010             | 8442-M250               |
| Tissue-Tek Genie® anti- <b>SATB2</b> Rabbit Monoclonal Antibody [QR023]                               | SATB2             | IVD | 8356-C010             | 8356-M250               |
| Tissue-Tek Genie® anti- <b>SMAD4</b> Rabbit Monoclonal Antibody [EP618Y]                              | SMAD4             | IVD | 8258-C010             | 8258-M250               |
| Tissue-Tek Genie® anti- <b>SOX10</b> Mouse Monoclonal Antibody [ZM10]                                 | SOX10             | IVD | 8308-C010             | 8308-M250               |
| Tissue-Tek Genie® anti- <b>SOX11</b> Mouse Monoclonal Antibody [GM032]                                | SOX11             | IVD | 8521-C010             | 8521-M250               |
| Tissue-Tek Genie® anti- <b>SOX2</b> Rabbit Monoclonal Antibody [EP103]                                | SOX2              | IVD | 8228-C010             | 8228-M250               |
| Tissue-Tek Genie® anti- <b>Synaptophysin</b> Mouse Monoclonal Antibody [BS15]                         | SYP               | IVD | 8453-C010             | 8453-M250               |
| Tissue-Tek Genie® anti- <b>TdT</b> Rabbit Monoclonal Antibody [RM379]                                 | TdT               | IVD | 8406-C010             | 8406-M250               |
| Tissue-Tek Genie® anti- <b>Thyroid Transcription Factor-1</b> Rabbit Monoclonal Antibody [EP229]      | TTF-1             | IVD | 8224-C010             | 8224-M250               |
| Tissue-Tek Genie® anti- <b>TIA-1</b> Mouse Monoclonal Antibody [2G9A10F5]                             | TIA-1             | IVD | 8254-C010             | 8254-M250               |
| Tissue-Tek Genie® anti- <b>Tryptase</b> Rabbit Monoclonal Antibody [EP259]                            | TRYPTASE          | IVD | 8372-C010             | 8372-M250               |
| Tissue-Tek Genie® anti- <b>Uroplakin II</b> Mouse Monoclonal Antibody [BC21]                          | UPII              | IVD | 8270-C010             | 8270-M250               |
| Tissue-Tek Genie® anti- <b>Vimentin</b> Mouse Monoclonal Antibody [V9]                                | VIMENTIN          | IVD | 8336-C010             | 8336-M250               |
| Tissue-Tek Genie® anti- <b>WT1</b> Rabbit Monoclonal Antibody [EP122]                                 | WT1               | IVD | 8340-C010             | 8340-M250               |
| Tissue-Tek Genie® anti- <b>ZAP70</b> Mouse Monoclonal Antibody [ZM97]                                 | ZAP70             | IVD | 8501-C010             | 8501-M250               |
| Tissue-Tek Genie® DUO anti- <b>AMACR [13H4] / p63 [MX013] / CK5/6 [D5/16B4] PIN</b> Antibody Cocktail | DUO PIN           | IVD | 8485-C010             | 8485-M100               |
| Tissue-Tek Genie® DUO anti- <b>Cytokeratin 5/6 [D5/16B4] / TTF-1 [EP229]</b> Antibody Cocktail        | DUO CK5/6 /TTF-1  | IVD | 8486-C010             | 8486-M100               |
| Tissue-Tek Genie® DUO anti- <b>Melan A [EP43] /Ki67 [GM010]</b> Antibody Cocktail                     | DUO Melan A /Ki67 | IVD | 8480-C010             | 8480-M100               |
| Tissue-Tek Genie® DUO anti- <b>p40 [BC28] / Napsin A [EP205]</b> Antibody Cocktail                    | DUO P40/Napsin A  | IVD | 8487-C010             | 8487-M100               |
| Tissue-Tek Genie® DUO anti- <b>Pan Cytokeratin [AE1/AE3/DC10] / S100B [EP32]</b> Antibody Cocktail    | DUO Pan-CK /S100B | IVD | 8481-C010             | 8481-M100               |
| Tissue-Tek Genie® DUO anti- <b>Pan Cytokeratin [AE1/AE3/DC10] /CD31[RM247]</b> Antibody Cocktail      | DUO Pan-CK /CD31  | IVD | 8484-C010             | 8484-M100               |
| Tissue-Tek Genie® DUO <b>Non-immune Mouse and Rabbit Ig</b> Antibody Cocktail                         | DUO Neg.Ctrl.     | IVD | 8482-C010             | 8482-M250               |
| Tissue-Tek Genie® <b>FITC</b> anti- <b>C3</b> Goat Polyclonal Antibody                                | FITC C3           | IVD | 8539-C010             | 8539-M250               |
| Tissue-Tek Genie® <b>FITC</b> anti- <b>Fibrinogen</b> Goat Polyclonal Antibody                        | FITC FIBRINOGEN   | IVD | 8538-C010             | 8538-M250               |
| Tissue-Tek Genie® <b>FITC</b> anti- <b>IgA</b> Goat Polyclonal Antibody                               | FITC IgA          | IVD | 8536-C010             | 8536-M250               |
| Tissue-Tek Genie® <b>FITC</b> anti- <b>IgG</b> Goat Polyclonal Antibody                               | FITC IgG          | IVD | 8535-C010             | 8535-M250               |
| Tissue-Tek Genie® <b>FITC</b> anti- <b>IgM</b> Goat Polyclonal Antibody                               | FITC IgM          | IVD | 8537-C010             | 8537-M250               |
| Tissue-Tek Genie® <b>Non-immune Mouse Ig</b> Antibody                                                 | Neg. Ctrl. Mouse  | IVD | 8604-C010             | 8604-M250               |
| Tissue-Tek Genie® <b>Non-immune Rabbit Ig</b> Antibody                                                | Neg. Ctrl. Rabbit | IVD | 8605-C010             | 8605-M250               |
